A large, illuminated 'LOVE' sign is the central focus. The letters are made of a material that glows from within and are decorated with small, round, warm-white lights. The 'L' is blue, the 'O' is pink, and the 'V' is orange. The sign is set against a dark, textured brick wall. The floor is a vibrant red, which reflects the light from the sign. The overall atmosphere is warm and romantic.

Lighting can change the whole feel of a room.... so choose wisely!

We love to help add a twinkle to your big day.
